

Richard Simman MD, CWS, FACS, FACCWS

Board Certified Plastic Surgeon & Certified Wound Specialist Offering Plastic and Reconstructive Surgery

Plastic and Reconstructive Surgeon Dr. Richard Simman has been practicing in the Dayton, Ohio area for over five years. He has convenient offices at Sycamore Hospital in Miamisburg, Samaritan North Health Center in Dayton, and a Toledo location for cosmetic surgery. Dr. Simman offers a variety of plastic, cosmetic, and reconstructive surgery services.

Dr. Simman's background includes training in General Surgery at St. Luke's–Roosevelt Hospital Center, Columbia University in New York, NY, and a Plastic Surgery Residency at Providence Hospital and Medical Centers in Southfield, MI under the supervision of Dr. Ian T. Jackson, a world famous plastic surgeon. In addition, Ohio Plastic Surgeon Dr. Simman completed a Burn Fellowship followed by a Research Fellowship at the State University of New York at Stony Brook. He is an Associate Professor with the Department of Surgery and the Department of Pharmacology & Toxicology at Wright State University.

As an active clinician and researcher, Dr. Simman's work has been published in numerous major journals, including Plastic and Reconstructive Surgery, Annals of Plastic Surgery, Aesthetics of Plastic Surgery, The Journal of Craniofacial Surgery, Wounds, Academic Emergency Medicine, and others. He is an active member of numerous medical associations. Dr. Simman is an Associate Clinical Professor at the Wright State University Boonshoft School of Medicine and currently serves as President of the American College of Certified Wound Specialists (ACCWS).
